

Experience health care
designed for you.

 **Sanitas**
Medical Center

All the care you need, **all under one roof.**

What's at the center of Sanitas Medical Center?
You. We provide a whole-person approach to your health – caring for your physical, mental, and social needs. We're breaking down barriers to make your care more accessible, personalized, and connected.

Here, you'll find everything from comprehensive primary care to mental health services and specialized care programs. You can even get your lab work done on-site, so you don't have to make an extra trip. And because injuries and sickness don't wait until we're open, 24/7 virtual care is available through the mySanitas app.

Sanitas Medical Center is whole-person health care in one convenient location, delivered by a team of caring, experienced medical experts focused on you.

Your partner in health,
every step of the way.

Health care designed around **you**

All under one roof

Fast access to personalized primary care, lab testing, mental health services, and so much more.

Wrap-around support

As a Florida Blue member, you'll likely benefit from low to \$0 copays for many services, making your health care more affordable.*

Care personalized to you

Led by your doctor, your care team works together to provide more coordinated, comprehensive care designed just for you.

Always on, always by your side

Use our patient app to connect 24/7 with a Sanitas doctor, schedule a visit or manage your health from home or on the road.

Your health, all in one place

At **Sanitas Medical Center**, we've created a welcoming environment that brings health care closer to home. Our centers offer a full range of health solutions to support your complete well-being — all under one roof — providing seamless, convenient care focused on you.

From comprehensive primary care to specialized programs, mental health services, and wellness support, every center is designed to make your visit comfortable, compassionate, and supportive.

Experience whole-person health care made a whole lot easier.

Download the mySanitas app

24/7
Virtual care

Always on. **Always by your side.**

Download and log in to experience convenient, complete care. With Sanitas, it's your health care, simplified.

24/7 access

Video chat with a Sanitas provider, or send a message to ask questions and get answers, without leaving home. When you're sick or injured after hours you can video chat to get the care you need.

Save time and money

Our Sanitas providers can treat many health issues through the mySanitas app – including urgent care issues – so you don't have to visit a center or make a trip to the ER.

Plus, you can manage appointments without making a phone call.

Personal assistance

We'll remind you when you're due for screenings, vaccines, or follow-up visits so you don't have to keep track. Plus, you'll get real-time support from your Sanitas provider and health programs.

1-866-807-0781

Keep yourself and your family healthy

Regular checkups and screenings can help detect problems before they start. We'll ensure you and your family stay up-to-date.

1-866-807-0781

- Colorectal cancer screening
- Height, weight, and BMI
- Blood pressure
- Cholesterol

Well-child care

- Prevention, growth, and development
- Hearing and visual tests
- Immunizations
- Sports physicals
- Childhood diseases

Specialized **care programs**

Diabetes

Heart disease

COPD

Respiratory disease

High cholesterol

Hypertension

Mental health

At Sanitas, we care for you at every stage of life.

Our programs help you stay healthy, prevent complications, and get the right care when you need it.

Care programs

- **Chronic care**

Support for ongoing health conditions or heart-related risks.

- **Chronic complex care**

Extra help for managing multiple long-term conditions.

- **BeWell SUD (Substance use disorder)**

Compassionate support for mental health challenges.

- **Special care at home**

Quality medical care at home for patients with complex conditions.

- **Advanced care**

Personalized and compassionate care for advanced or life-limiting illnesses.

- **Community and social support**

Connecting patients with local resources to meet health, housing, transportation, and emotional needs.

Nutrition and BeWell (mental health) programs work hand in hand with all our services to keep you fully supported—body and mind.

Your Sanitas **care team**

EXPLAINED

At Sanitas, your health is in the hands of a dedicated care team. Led by your doctor, your care team works together to provide **more coordinated, comprehensive care designed just for you.**

Lead Care Provider

The central point of contact for all your medical needs

.....

This provider manages your healthcare journey. They know your health history, handle your check-ups, preventive care and coordinate referrals if needed.

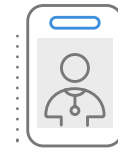

Support Care Provider

The other half of your collaborative on-site duo

.....

If your Lead Care Provider is unavailable, your Support Care Provider steps in. They do it seamlessly, by being up to date on your health needs and history.

Virtual Care Provider

Get the care you need, wherever you are

.....

Need quick medical support? Your Virtual Care Provider is available through telemedicine for routine follow-ups, minor concerns, or urgent questions that can be handled remotely.

Your Sanitas **care team**

EXPLAINED

Benefits for **you**

Continuity of care:

Your care team knows you and cares for your goals.

Better access:

In-person or virtual, appointments are easier and faster to get.

Comprehensive support:

Access a broad range of care, within one integrated team.

Chronic and preventive care:

Panels of providers and programs for patients with complex needs.

Best match patient/provider:

We match you with specialized care providers and programs based on your location, age, and personal health needs – such as a diabetes program nurse, care coaches, nutritionist, community health worker, or mental and social health specialist.

We frequently add new centers to better meet the needs of the communities we serve. To see the most up-to-date listing of Sanitas Medical Centers, please visit mysanitas.com/locations. And remember, the mySanitas app lets you connect virtually with our care teams 24/7 for any of your unplanned medical needs.

Getting in **touch**

1-866-807-0781

* \$0 Value Choice Provider (VCP) primary care visits, \$0 for first two (2) VCP urgent care visits and reduced cost shares for VCP specialist visits do not apply to all Florida Blue health plans. Check your Florida blue plan details for the VCP cost share for your plan. If your plan does not include a VCP reduced cost share benefit, VCP services will be covered at the cost share amount that would apply to non-VCPs. Value Choice Provider is a designation Florida Blue gives to some in-network providers including Sanitas and Florida Blue | Sanitas.

Sanitas Medical Center is an independent healthcare organization, serving Florida Blue (or other Blue Cross Blue Shield plans) members, Original Medicare patients, and self-pay patients.

Florida Blue is an Independent Licensee of the Blue Cross and Blue Shield Association.
