Sanitas

Partnered with UnitedHealthcare

Health care that meets you where you are

At Sanitas, **care goes beyond health.** Our care model connects medical care with community and social support. Behind every patient, there's a **comprehensive care team** working together to truly improve their life.

+900k patients in US

50+ medical centers

10+ years in the US and **40+ years** of global experience

+200 medical staff

Connected, integrated care

UnitedHealthcare members with a Sanitas health plan get exclusive access to **simple, affordable care**—whether it's a checkup, a same-day sick visit, behavioral health, or help managing diabetes or hypertension, **your Sanitas PCP is your first stop for care.**

- Primary care
- Mental health support
- X-Ray & Ultrasound (at select locations)
- Secure patient app to manage your care
- Care coordination
- Same-day walk-in
- Telehealth
- Integrated Care Program
