Always by your side, taking care of you

We make getting the care you need easier, with the services you need in one location, backed by a whole care team working to support your individual needs.

We've partnered with Florida Blue, who has been serving the Jacksonville community for almost 80 years. Together, we're committed to helping people and communities achieve better health.

You can count on us to deliver a primary care experience that's not only personalized to address your physical health, but also takes into account your mental and social well-being. Our goal is to empower you and help you lead a life that's not just healthy, but one where you can thrive. You'll experience a comprehensive care model thoughtfully created to:

Provide compassionate, personalized, whole-person care.

Supporting you between visits and in times when you need us.

Making it easier to get care—in our center or from wherever you are.

Putting your mind at ease when you're dealing with life's challenges.

Keeping you healthy, with support from our specialized care teams.
