Sanitas is an independent medical center.

The care your
health *deserves*

Always on. Always by your side.

It's time to take the pain out of health care.

Sanitas Medical Centers offer comprehensive health care that goes beyond doctor appointments, tests and medications. We care for you like family – head-to-toe, inside and out.

Services you need, all in one place

Our state-of-the-art medical centers offer one-stop care for all generations – children, adults and seniors. That means less time spent running from doctor to doctor to get care for your entire family.

- Primary and urgent care
- Telehealth and app access
- Specialty services and care coordination
- Lab work, imaging and more

We're in your neighborhood

With so many locations and extended hours, we make it convenient to get care on your time. And when you can't get in to see us, you can tap our app to talk or text with a Sanitas care team member.

Making care matter

There is a difference in where you choose to go for care. The quality, trust, compassion and understanding that you're looking for is at Sanitas. Our doctors, nurses, health coaches, nutritionists and clinical social workers take all the time you need.

Always by your side.

You'll never be alone in your health concerns. Download our free app to get advice at your fingertip. You'll have access to Sanitas care teams from home, work or wherever you go.

Experience the Sanitas difference

We go beyond typical medical services. Get reminders for screenings, vaccines, or follow-up visits, so you don't have to keep track. Plus, get extra value by saving on:

- Referral support
- Medication management
- Nutrition planning
- Mental health programs
- Education and coaching
- Stress management
- Health and wellness classes
- Social and community services
