

June 15, 2020

Dear Patient:

We hope this letter finds you well. Our records indicate that your primary care physician (PCP) is Dr. Maroney. Our records indicate that you have seen, or been treated by, Dr. Maroney during 2020. The reason for our communication is to inform you that Dr. Maroney is no longer a provider at Sanitas Medical Centers. Our patients' wellbeing is our top priority and the providers of Sanitas remain available to see you for all of your healthcare needs. Your medical records will remain with Sanitas Medical Centers. If you are a MyBlue Health member, no further action is needed to remain under the care of Sanitas Medical Centers. If you would like to transfer your care to another physician outside of Sanitas Medical Centers, please contact us at 1-844-665-4827 and ask to speak to the HIM department to obtain an authorization of release for your medical records. We are grateful for the care Dr. Maroney has provided to our patients and are confident that Sanitas will continue to care for the health of you and your family.

As always, we are honored to serve our communities and deliver the highest quality of care to you and your family. Feel confident that Sanitas remains willing and able to treat you at any of our conveniently located centers:
